

To help prevent expectant mothers from getting infected with coronavirus, we have decided to provide 20 ¥500 taxi tickets to every expectant mother who has taken/will take a consultation at the Health and Welfare Center in Hachioji before 31/March/2021.

To book a consultation, please make a reservation at any center by phone. Consultations are offered from 9 a.m. to 5 p.m. from Monday to Saturday.

Please bring your “Maternal and Baby’s Health Handbook”, your I.D. and the questionnaire. If you have difficulty filling out the questionnaire by yourself, we can help you when you come for the consultation.

Please contact us if you have any questions or to make a reservation.
